## INFORMATION LETTER

**Dear Colleagues,**

We are pleased to invite you to the [International Research-to-Practice Conference Problems and Prospects of the Arctic Zone Development in the North-East of Russia](#), which will be held on 15-16 April 2015 in Anadyr, Russia, at the Chukotka Branch of the Federal State Autonomous Educational Institution of Higher Professional Education Ammosov North-Eastern Federal University.

The Conference is organized with the support of the Government of the Chukotka Autonomous District within the North-Eastern Federal University Development Programme for 2010-2019.

**The Conference will cover the following topics (sections):**

1. Problems and Directions of the Industry Development in the Region
2. Environmental and Socio-Economic Problems of the Arctic
3. Research and Study of Natural and Biological Resources, Climate Change and Permafrost
4. Innovative and Highly Performance Technologies of Life Safety and Nature Management
5. Young Researchers about the Future of the Arctic

Conference languages: **Russian, English.**

We are planning to publish the conference proceedings in print and electronic media. Articles will be published in the scientific journal *Bulletin of Ammosov North-Eastern Federal University Ammosov* (the journal is included in the List of HAC – Higher Attestation Commission, the RSCI system – the Russian Science Citation Index system).

Forms of participation in the Conference: **face-to-face** and **virtual participation**.

**The certificate** will be awarded to the participants presenting their work at the Conference.
